

Alphonse Island Resort

Alphonse Island is found in the heart of the Indian Ocean, 7° south of the equator, and 450 kms to the southwest of Mahe. She forms part of the Alphonse group, which stretches some 16 kms (north to south) and is made up of 3 islands: Alphonse, to the North, "Le Lys", Bijoutier, in the center, and St Francois, in the south. This unspoiled small island, protected by a coral reef boasts has one of the most attractive turquoise lagoons. Flight time from Mahé is about 60 minutes. The resort's architecture offers a combination of luxury and authenticity, which creates a unique ambiance.

25 A-framed Chalet are built on stilts offering a thatched roof and a private veranda (60m^x). They are all air-conditioned, well furnished, have a direct telephone access, a TV, a mini-bar, a ceiling fan, a safe, a large bed, bathroom and an authentic exterior shower.

The 5 Deluxe villas are more spacious and modern. It is 60m²

with a 50m² terrace and is equipped with a private Jacuzzi, a bathroom with multi-function shower cabin, air-conditioning, ceiling fan, TV, video, direct line telephone, mini-bar, safe, tea & coffee-making facilities and a hairdryer.

Other resort amenities include a restaurant, swimming pool, games room, meeting room, and a boutique.
