

## LE MERIDIEN BARBARONS

The new Le Méridien Barbarons , a four-star resort have just reopened. It is fronted by a beautiful beach and surrounded by a lush tropical garden of palm trees.

The rooms have a contemporary interior décor with furniture of soft wood and flowing fabrics. All rooms have an inter-connecting option for the convenience of families and groups. Each room also has a balcony or terrace with either sea view.

A variety of eating options include live cooking stations in the main restaurant, which feature delicacies from local and international cuisines. The resort also offers a Mediterranean restaurant right on the beachfront. A top-level wooden deck makes the perfect rendezvous for sunset cocktails and barbeques in the evenings. The roof top terrace offers comfortable sitting and relaxing arrangements, as well as a Jacuzzi on deck.

Other facilities include a SPA with steam bath, 2 rooms offering beauty treatments, double massage rooms, plunge pool, and a gym. For families, Le Meridien Barbarons also offers a children's club.
